

1. Go to the Play store on your phone.
2. Type in “Eventbrite” and download the free app  and open it.
3. If you already have an  account, go to step 5. If not, touch sign up.
4. Fill in the required information; however, be sure to use the email address that your registration email came to, which is most likely your work email.
5. Once you are all logged in, touch the person icon in the bottom and your ticket will be there.
6. Select the ticket & show the IRC code  to the registration desk .
7. If your ticket does not show up, it means the email you are using for your account is not the email you registered with. Try creating a new  account with the correct email, or go to step 10.
8. Scroll down on the ticket page to see the event details and under “About” is where you can find the brochure and schedule of events.
9. If for some reason your ticket does not come up, don’t worry. Go to search and type in Lighting the Way, and the event will pop up.
10. However, if you chose not to use the app, you can always go to <https://www.eventbrite.com/e/2017-vccja-lighting-the-way-tickets-33226619714>
